

Phlebotomy Technician Information Term I

Overview

The 180-hour, 7 credit, Phlebotomy Technician with Externship program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students become familiar with blood collection and develop comprehensive skills needed to safely perform venipunctures. This includes 80 hours for didactic and 100 hours for externship. Phlebotomy Technicians may pursue careers in a variety of settings, including hospitals, health centers, medical group practices, HMO's, public health facilities, veteran hospitals, and insurance carriers.

***This program does not include a national or state certification**

Tuition

Tuition for this course is \$2,000.00. This cost includes instruction, textbooks, classroom lab supplies, CPR class and card, background check and drug screening. This fee does not include, general school supplies such as paper, pencils/pens or computers/laptops or the uniform (scrubs) required for the externship.

Class Dates & Times

This course will be held in a hybrid format with classes meeting in-person, at the Tech Center, and via Zoom. Classes will be held on Tuesday's and Thursday's from 5:30pm- 9:00pm as well as four Saturdays from 9:00am- 1:00pm. Please see the schedule below for course dates.

***Attendance is mandatory to successfully complete the program. Frequent absences may prevent students' eligibility to complete the externship portion of the course.**

Externship Work

Students work in a CLIA-approved laboratory setting and function under direct supervision of a phlebotomist. The externship portion requires one-hundred (100) uncompensated hours to be completed within four weeks. Externship locations are assigned the program coordinator. Students are expected to perform a minimum of one- hundred successful blood collection procedures, including venipunctures and dermal punctures. Students may be eligible to sit for the ASCP Phlebotomy Certification exam upon successful completion of externship.

Important Notice

All students must submit to random drug testing and a background check before participating in the Externship. In addition, students must provide proof of valid or current BLS for Healthcare Providers, have documentation of recent (within six months) physical, and provide proof of required immunizations, which may include the COVID vaccination.

Registration

Students must create an account through the Blue Ridge CTC website to complete the online non-degree application.
